WANT

„Okay ... What do you want?" Ace stepped back a little.

"You know what I want," Paul answered.

He came near, his hips in his provoking stage costume swaying seductively.

"Uuuhhh, no! NO. Go away!" Ace anxiously cried out. "Don't even look at me."

"Oh, come on, Ace. What's your problem?" Paul smiled a cruel smile.

"I ... I don't have a problem," Ace croaked. "Especially not with fags."

"Fags? FAGS? Excuse me! Who is a fag?" Paul sneered.

"Eh ... I thought ..." Ace whimpered.

Paul was amused and grinned.

"Idiot! I just wanna borrow your hair spray."
